

DOTORI READING COMPREHENSION (2-3)

TUES 6:00-7:00 PM

Spring 2026

GOALS

- Develop strong reading comprehension skills by practicing a range of strategies for understanding both literary and informational texts.
- Build confidence in applying comprehension skills independently across different types of passages.

3/31

WEEK 1

Understanding the Main Topic and Key Details

Practice identifying what a text is mostly about and noticing important details that support the main topic. Learn how to distinguish between key information and extra details.

4/7

WEEK 2

Finding the Main Idea

Focus on determining the main idea of a paragraph or short passage. Practice explaining how details connect to the main idea using complete sentences.

4/21

WEEK 3

Sequencing Events

Practice identifying the order of events in a text using time words and signal phrases. Learn how sequencing helps readers understand what happens first, next, and last.

4/28

WEEK 4

Cause and Effect

Explore how events are connected by causes and results. Practice identifying why something happened and what happened as a result using clear cause-and-effect language.

5/5

WEEK 5

Making Inferences

Learn how to use clues from the text and background knowledge to figure out information the author does not state directly. Practice explaining inferences with evidence.

5/12

WEEK 6

Understanding Characters

Focus on identifying character traits feelings and motivations. Use actions, dialogue, and events from the text to support ideas about characters.

5/19

WEEK 7

Understanding Text Structure

Practice recognizing how informational texts are organized such as description compare and contrast or problem and solution. Learn how structure helps readers understand ideas more clearly.

DOTORI READING COMPREHENSION (2-3)

TUES 6:00-7:00 PM

Spring 2026

5/26

WEEK 8

Author's Purpose

Explore reasons an author writes a text such as to inform explain or entertain.
Practice identifying clues that show the author's purpose.

6/2

WEEK 9

Using Context Clues

Learn how to figure out the meaning of unfamiliar words using surrounding words phrases and sentences. Practice applying multiple context clue strategies.

6/9

WEEK 10

Integrating Skills and Reflection

Apply multiple reading comprehension strategies to longer passages.
Reflect on growth as a reader and practice explaining thinking using evidence from the text.

**** This plan may be adjusted at any time based on students' progress and pacing.**
